

VISUAL STORY

**I am going to the
2025 Fully Charged event.
It is on Saturday 3rd of May
from 9.00 am to 4.00 pm
at Queensland Museum
Rail Workshops.**

**When I arrive,
I might see lots
of people.**

**I will line up along
the fence.**

**I will show my ticket
to staff at the gate.
They wear a uniform.
They are friendly
and I can ask them
for help.**

When I get inside,
there will be lots
of things to see.

There will be lots
of people and lots
of noise.

There will be lots
of different displays
to see.

There will be signs to
tell me what time the
displays will be.

During the demonstrations, there may be things that make me nervous, like loud sounds and bright or flashing lights.

If I get nervous during the day, I can cover my eyes and ears, or wear headphones.

**Some of the displays
I can look at
but not touch.**

**Some of the displays
I will be allowed
to touch.**

**There will be signs to
let me know what I
can and can't touch.**

**There will be planes
doing a show in
the air a few times
throughout the day.
They will do tricks
and will be loud.**

**There will be music
being played in some
places as well.**

There will be vehicles and people from the Police, Fire Department and the Defence force. They are all friendly and will let me look in their vehicles.

There will be lots
of different smells
from lots of
food vans.

**If I need a break,
I can go to a
chill out zone in
the Museum Studio.**

**I can find accessible
toilets at the Ticket
Office, the Dining Hall,
inside the museum
building and portable
toilets in various
places around
the venue.**

**They will be clearly
marked with a sign
on the outside.**

If I need help,
I can ask any
of the staff wearing
a blue shirt.

**When I am finished,
I will leave through
the ticket office.**

**I might come back
next year.**
