I am going to the 2025 Little Day Out event.

Session 2: 1.00pm – 3.30pm

I can bring things
to help me enjoy the day.

When I arrive, I might
see lots of people.
I will line up along
the fence.

Sometimes friendly
entertainers in
costumes say hello.

**I will show my ticket
to staff
at the entrance.**

**The staff wear a
yellow vest saying
'Event Staff' or a pink
vest saying 'Volunteer'
on the back.**

**They are friendly
and I can ask them
for help.**

When I get inside,
there will be a lot of
things to see and do.

There will be
lots of people
and lots of noise.

LiTTLE Day oUT

There are so many fun activities to try such as mural painting, dance, Build a Bee, or a cubby and things to learn.

Sometimes I might have to wait a little bit.

Signs will tell me what time the stage shows begin.

LiTTLE Day oUT

I can watch shows,
but there may be
things that make me
nervous like a lot
of people and loud
sounds and music.

If I get nervous during
the day, I can cover my
eyes and ears or put
on my headphones.

LiTTLE Day oUT

If I need a break, I can go to the sensory friendly space at the Quiet Zone.

LiTTLE Day oUT

There will be loads of different smells from the family friendly food vans.

I can bring my own water bottle to fill at the Water Monster refill station.

I can use the bins around the venue for all my rubbish.

LiTTLE Day oUT

There are accessible portable toilets around the venue, or I can visit the toilets in the shopping centre.

Toilets are clearly marked with a sign on the outside.

A Child Feed and Change space is available at the event and at the shopping centre.

LiTTLE Day oUT

If I get lost or need help of any kind – such as finding the Quiet Zone, toilets or a fun activity - I can ask the person wearing a yellow vest saying 'Event Staff' or wearing a pink vest saying 'Volunteer' on the back.

LiTTLE Day oUT

When I am finished
I will leave through
the entrance I arrived,
and safely walk to
the car park or the
shopping centre.
