

SPARK

LITTLE DAY OUT

VISUAL STORY

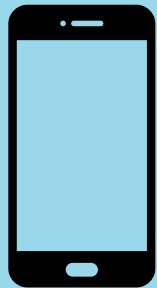

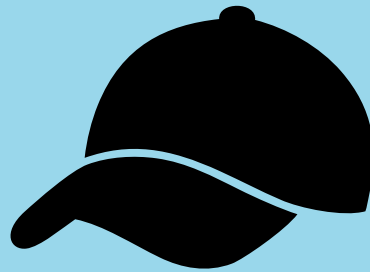

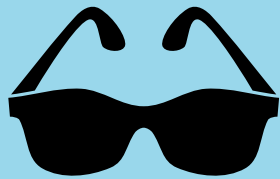

**I am going to the 2026 Little Day Out event.
It is on Saturday 11 July at Ripley Town Centre.**

9.00 am – 3.00 pm

**I can bring things
to help me enjoy the day.**

**When I arrive, I might
see lots of people.
I will line up.**

**Sometimes friendly
entertainers in
costumes say hello.**

**I will show my ticket
to staff
at the entrance.**

**The staff wear a
yellow vest saying
'Event Staff' or a pink
vest saying 'Volunteer'
on the back.**

**They are friendly
and I can ask them
for help.**

**When I get inside,
there will be a lot of
things to see and do.**

**There will be
lots of people
and lots of noise.**

There are so many fun activities to try such as build a cardboard box village, groove at the Disco and things to learn.

Sometimes I might have to wait a little bit.

Signs will tell me what time the stage shows begin.

**I can watch shows,
but there may be
things that make me
nervous like a lot
of people and loud
sounds and music.**

**If I get nervous during
the day, I can cover my
eyes and ears or put
on my headphones.**

If I need a break, I can go to the sensory friendly space at the calm corner.

There will be loads of different smells from the family friendly food vans.

I can bring my own water bottle to fill at the Water Monster refill station.

I can use the bins around the venue for all my rubbish.

There are accessible portable toilets around the venue, or I can visit the toilets in the shopping centre.

Toilets are clearly marked with a sign on the outside.

A Child Feed and Change space is available at the event and at the shopping centre.

If I get lost or need help of any kind – such as finding the Calm Corner, toilets or a fun activity - I can ask the person wearing a yellow vest saying ‘Event Staff’ or wearing a pink vest saying ‘Volunteer’ on the back.

When I am finished I will leave near the entrance I arrived, and safely walk to the car park or the shopping centre.
